

Wave & Tidal Industry – Securing the Supply Chain

Oliver Wragg

Wave & Tidal Development Manager, BWEA

Wave & Tidal Supply Chain Seminar

29th April 2009

The BWEA

UK's leading renewable energy trade association

470+ Company members. Expanded our mission in 2004 to include wave and tidal stream due to synergies with offshore wind

Champion the UK Wind, Wave & Tidal energy sectors

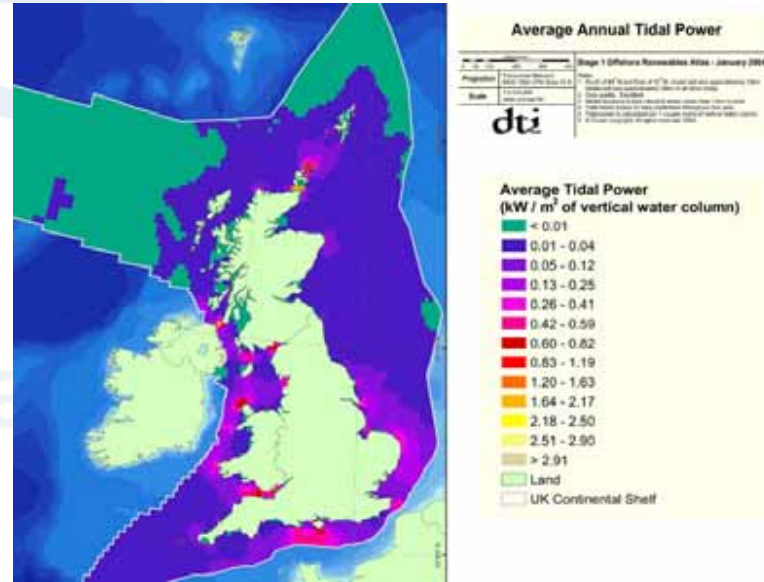

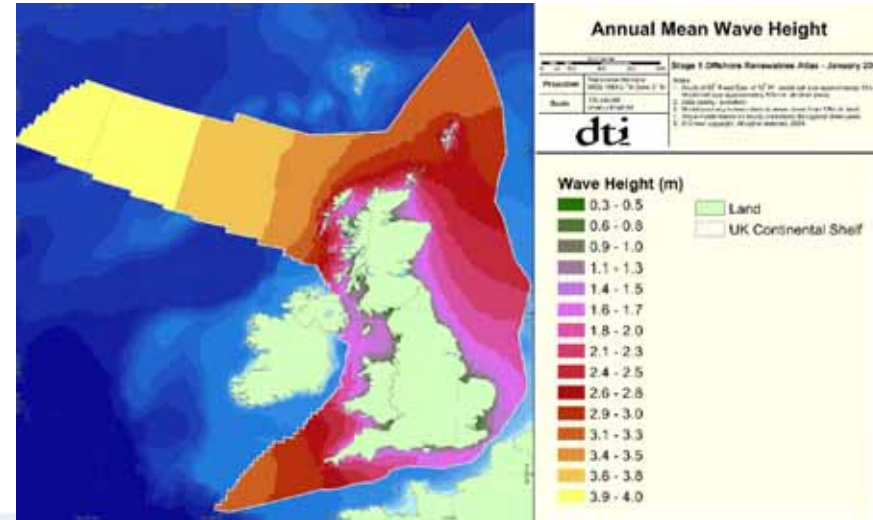

- Co-ordinate industry and liaise with stakeholders
- Guide Government towards industry requirements
- Conduct studies to help develop industry
- Raise Profile and increase confidence

UK - Unique in the World

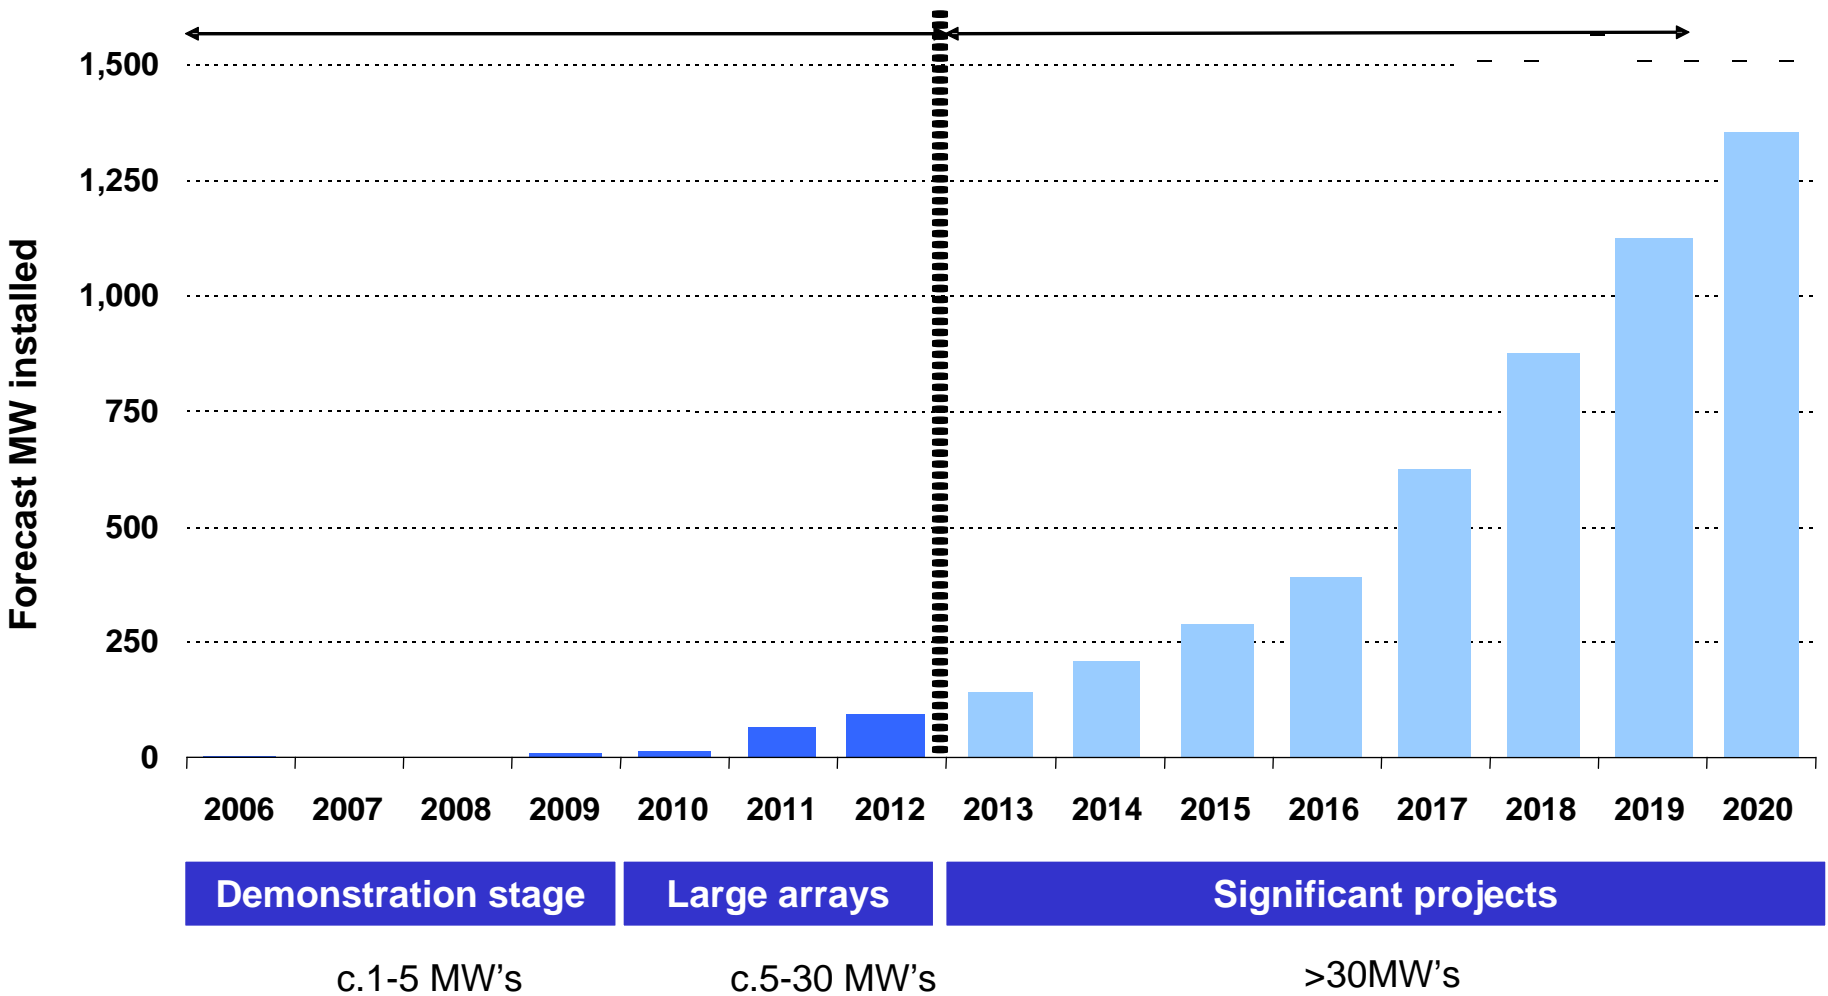

- Resource
- R & D

Wave Hub, European Marine Energy Centre (EMEC) and New and Renewable Energy Centre (NaREC)

UK Market
