Terms and Conditions of Membership (In addition to those contained in the Articles of Association)

Revised Jan 2003

- i. In these Terms and Conditions 'the Company' means RenewableUK and 'the Client' (which expressions shall include any principal on whose behalf the Client Application Form is signed) means the person, firm, company or organisation on whose behalf they are acting or purporting to act.
- ii. Subscriptions are payable in sterling only.
- iii. The Company will issue an invoice for all applications. Payment Terms are 30 days from date of applying or immediately if wanting to utilise member discount rates at a RenewableUK event.
- iv. Payment by credit card will be surcharged.
- v. Privileges of membership are detailed in www.bwea.com/members/info/benefits.html.
- vi. Membership is continuous, until revoked in writing and acknowledged. Three months' notice is required. New members only have a fifteen day period in which to revoke membership and receive a full refund.
- vii. The membership year begins on January 1 and subscriptions are payable annually in advance. Members wishing to pay in instalments may have this facility granted to them, but should contact the office for terms and should note that this facility will incur a handling charge.
- viii. Companies joining mid-year will pay pro rata to the nearest month, up to the end of September.
- ix. Any change in membership class to a category lower than the one presently held will only take effect three full months after receipt, and acknowledgement, of written notification.
- x. Membership fees are revised annually and will be notified to members in writing.
- xi. Terms and Conditions of membership, in addition to those contained in the Articles of Association, may be revised from time to time and will be notified to members in writing.
- xii. Subscription payments not received within one month of becoming due will result in the membership being considered lapsed and all services may be suspended pending payment. However, membership charges will continue to accrue, together with interest at 2% above base rate until resignation is received in writing, subject to (vi) above.
- xiii. Companies joining from 1st October must pay for the remaining quarter and for the following year.
- xiv. Companies wishing to upgrade from 1st October must pay for the difference in fees for the whole year, not pro rata.
- xv. No refund will be made on resignation for subscription payments received.
- xvi. Rates are exclusive of VAT, which is payable on all services directed to UK addresses.
- xvii. Payments for Applications from companies with non-EU mailing addresses may be subject to mailing cost surcharges.
- xviii. Corporate membership is intended for employees of the named member company. Parent or other related companies are expected to join in their own right if employees of those companies wish to receive member benefits.
- xix. Company details, as provided by the member, are held on computer, and are published in printed lists and via the Internet.
- xx. Orders placed with the company shall constitute a contract when the Client either signs the Order or confirms their acceptance by email.
- xxi. The Company may terminate this agreement at any time on giving reasonable notice to the client.
- xxii. The Company will clearly state in related literature what the fees cover.
- xxiii. Contracts between the Client and the Company shall be governed by English Law and the Client and the Company submits to the exclusive jurisdiction of the English courts.
- xxiv. The Client gives consent to the Company to carry out a credit search on the partners and directors of the organisation now or at a future date. The credit search will be recorded by the agency and may be disclosed to subsequent enquirers.
